CLOVERFIELD
ESTATE est. 1978

This impressive expanse of 110 hectares in the Cape Fold region, Cloverfield offers a landscape dedicated to the art of wine and cultivated with a rich array of grape varietals. From crisp Chardonnay to bold Shiraz, each vine is nourished by unique soil compositions — lime-enriched and alluvial — that bring complexity to the flavor profile of each bottle. These soils, paired with the vineyard's proximity to the Langeberg Mountain in the north and the Breede River to the south, provide an ideal setting for producing premium wines that are as much a product of nature as they are of human expertise.

Founded by Pietie and Liz Marais in 1978, Cloverfield is imbued with a legacy that draws from both the Marais family's winemaking tradition and Liz's Irish heritage. Together, they built a foundation of passion and commitment, symbolized in their family crest: the four-leaf clover. Each leaf reflects a cherished value—Hope, Faith, Love, and Luck—that resonates through their work and the wines they craft.

The Marais family blends tradition with innovation, crafting wines that embody Cloverfield's spirit and artistry.

Experience the Cape Fold at its best.

SAUVIGNON BLANC

Cape Goosberry, capsicum and fresh apple from the Cloverfields' lime rich vineyards

CHENIN BLANC

Handled with care from inception, resulting in a floral symphony and fruity stone fruit flavours

WOODED CHARDONAY

Honey Coloured elegance with buttery oak tones with hints of zesty citrus

SHAMROCK RED BLEND

This Shiraz & Merlot Blend with hints of pepper and full bodied yet delicate flavours set with oak undertones

SHIRAZ

Typical spicy, smoked tones and soft fruity tannins leading to a delicious aftertaste.
